Appliance water filter cartridge

AT A GLANCE

- An affordable alternative to the original AquaClean filter for Philips and Saeco machines.
- It removes impurities, chlorine and scale-forming minerals so every cup is brewed with cleaner-tasting water, and fits in minutes without tools.
- Best for: Philips and Saeco AquaClean machines.

SPECIFICATIONS

Rated capacity	~625 cups per filter; machine descale-free up to 5 000 cups (OEM-equivalent: Philips AquaClean CA6903)
Replacement element & interval	Coffee machine filter: every 90 days → Same product
Country of origin	China (PRC)
Warranty	12 months (consumables excluded — see Warranty & support)

FEED WATER

Supply type	Municipal (machine feed)
-------------	--------------------------

For use on municipal water supplies. Not suitable for untreated borehole, rain or surface water without appropriate pre-treatment and disinfection.

WHAT IT REDUCES

Chlorine, taste, odour and scale-forming hardness (per the appliance filter's media).

Not designed to reduce: bacteria (scale-protection filter).

LIMITATIONS & NOTICES

Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.

The contaminants or other substances removed or reduced by this water filter are not necessarily in all users' water.

Filter life is dependent on actual use and incoming water quality.

Replace the filter cartridge at the required interval, at the rated capacity, or sooner if a noticeable reduction in water flow occurs.

Flush the new cartridge/system as directed before use.

WARRANTY & SUPPORT

12 months from date of purchase. Consumables are excluded: filter cartridges, UV lamps, quartz sleeves and O-rings. The warranty does not cover damage caused by incorrect installation, operation outside the stated limits, water hammer or freezing, missed cartridge replacements, or unauthorised modification or repair.
